## Lighthouse Beach ? Ocean Views & Smart Modern Appointments

Found on a high position in the Lighthouse Beach area with a picturesque coastal vista, living here offers something special.

Double doors sheltered by the front porch welcome you into the tiled entry area to an exceptionally well cared for home, upon arrival is the discovery of fresh inviting interiors.

An atmosphere of relaxed coastal living is enhanced by ocean views, open living space and the comfort of all large rooms. In particular the bedrooms are BIG, each feature with two windows for catching cool sea breezes and providing natural cross flow ventilation for healthy living while the master bedroom suite is huge providing ample space for comfy bedroom furniture to be a parents' retreat.
