Peace Of Mind Living, And A Level Walk To Settlement City

You'll feel pampered living here with spacious comfort amongst beautiful appointments including plantation shutters and granite benchtops in the stylish kitchen.

This grand level villa style apartment is something special, all level living with no steps, sunny north facing aspect and positioned where it is a level walk along a footpath to Settlement City Shopping Centre.

Sizeable living and big bedrooms enhance the comfort with the practical convenience of internal access into the home from the oversize garage and the property also has two toilets.

Outdoor living is well catered for with two courtyards, one being broad and capturing all day sunshine.

If you've been looking for a place where there is no work to do so you can put your feet up and enjoy fu

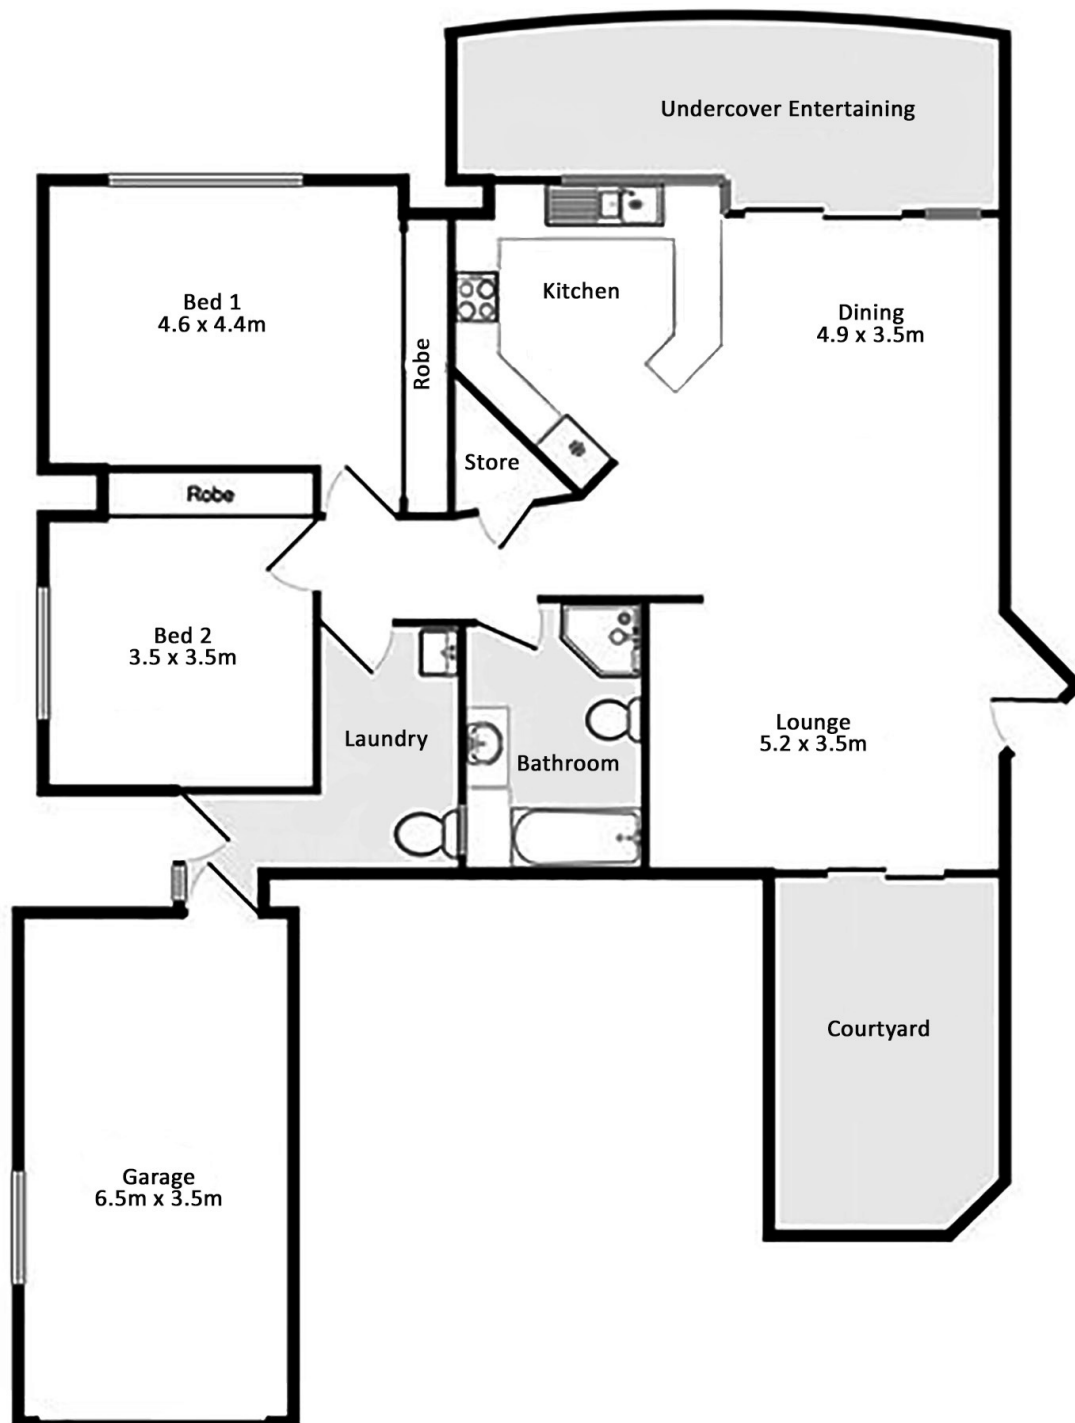

\$420,000
