

## 14 The Jib, PORT MACQUARIE

### 'WHAT A FIND?'

What a rare find, vacant blocks of land that are level and located in an established neighbourhood so close to all amenities.

Not only is this lot level for economical building, it is also a generous size (765sqm). Having extra size allows for more design options as well as space for a real backyard.

You'll love the convenience of living in this area where it's only minutes to the local Shopping Centre, Settlement City, Medical Centres, schools, TAFE and on the bus route.

**Type:** Land
